Old Paisley Estates

Town of Caledon East

Dunster Management Limited retained van der Woerd Associates for planning, engineering and surveying services in this high end housing geared to retirees and families surrounded by forest and streams within the Oak Ridges Moraine.

Old Paisley Estates is a 145 unit residential development that included single family homes on private lots and condominium town homes in condominium corporation.

van der Woerd Associates dealt successfully with the sensitive environmental constraints regarding stormwater and groundwater within the Oak Ridges Moraine.

Services Performed:

- Stormwater Report and Approvals
- Subdivision Agreement Negotiations
- Detailed Engineering Design and approvals for Watermains, Sanitary Sewers and Stormwater Facilities.
- Road Construction and Earthworks.
- Contract Preparation, Tender and Administration
- Construction Inspection and Layout Survey

Location:

Walker Road and Airport Road in Caledon East.
