

Grenadier Dr., Barnett Ct., Camille Ct., and Wise Ct.

City of Hamilton

The City of Hamilton retained van der Woerd Associates to complete engineering design of watermain, sanitary sewer, storm sewer and road reconstruction in an area with predominate bedrock. Sanitary, storm sewers and watermain were replaced to minimize bedrock excavation. Custom manholes were placed and the road was reconstructed.

Services Performed:

- Detailed Engineering Design for Watermain, Sanitary Sewer, Storm Sewer and Road in Bedrock.
- Custom manholes
- Contract Preparation and Tender

Location:

North-West of Upper Kenilworth and Mohawk Rd., Hamilton
